

Retracta E-Series fully enclosed hose reels have been developed to serve the needs of the Automotive industry. The neat, narrow design accommodates hi density mounting in tight workshop bay environments. The E-Series hose reel is enclosed in a powder coated steel housing designed to protect against the ingress of contaminants while offering a sleek, clean appearance. Quality, industry standard hose and fitting used throughout. Fully repairable via simple side panel removal. 5 Year warranty.

Narrow body

Fully repairable

Models available for multiple fluids

Easy access to swivel

Easy tensioning mechanism

Features and Benefits

Narrow body

- Made from powder coated, pressed steel for rigidity and protection
- Narrow footprint allows close mounting

Easy tensioning device

- Easy access to tensioning device
- No special tools required

Easy access to swivel

- No need to disassemble the entire reel to access the swivel for maintenance or hose change

Available for multiple fluids

- Oil
- Grease
- Water
- Coolant
- Compressed Air

Fully repairable

- All parts available
- No special tools required
- 10 year parts guarantee
